The United States Fish and Wildlife Service and the National Marine Fisheries Service welcome your comments relating to a Notice of Intent to prepare an Environmental Impact Statement pertaining to an anticipated application by the State of Washington Department of Natural Resources for coverage of "take" under the Endangered Species Act for activities on state-owned aquatic lands. During a 45-day public scoping period the Services are seeking information and suggestions on issues to include in the Environmental Impact Statement.

Please submit comments by December 11, 2006. Use additional sheets as necessary.
